Tips & Tricks for Virtual RA Interviews

- Make sure your Zoom app is updated prior to your interview times.
- Use a computer or laptop (with a charger) to ensure you're able to fully participate in all aspects of the interview.
- Check your email often and frequently prior to your interview to ensure you have completed all tasks and aware of any updates.
- Ensure your phone is silenced and your notifications are turned off during your interview time.
- Get plenty of rest prior to your interview.
- Be yourself - we're excited to get to know you during this process!
